Two View Cyclone Reva has come from a particularly good family herd. Dam and Grandam have consistently produced 400-500 m/s.

The Dam is a sister to Two View Corlis which was an Elite JerseyGenome™ heifer in 2009.

Reva also produced a bull calf in 2016, Two View Enterprise, which is in the Sire proving stage for CRV.

Whoever milks this heifer in the future should not be disappointed.
