AUCTIONEERS FOREWORD

After much toing and froing a final decision was made to support this first Next Generation sale in the Taranaki. If enthusiasm from local youth and whanau carries on like it has from the Waikato and NZ Dairy Event sales there will certainly be exciting times ahead for the purchasers from this inaugural Taranaki sale.

Since its conception, the awarding of the prizes to this year's first "Futurity" class winners it has been a fun journey for those youngsters fortunate enough to participate. The excitement at the first sale and at the awards night had to be seen to be appreciated.

Our youngsters of today have many issues and distractions to deal with, so families, we encourage you to support your family through participation in this great initiative. The people of the Stratford A & P Show are to be congratulated on their support. We wish all purchasers fun times ahead and look forward to following your involvement.

Prizemoney / Ribbon explanation

The heifer calf/yearling heifer classes have been sponsored by Breed Societies and Companies wishing to support "Youth".

The in-milk Futurity class is supported by money received from purchasers (\$100/head) at time of purchase and 5% commission donated by Brian Robinson Livestock Ltd when the animals are sold as weaner calves.

Along with interest received and a donation of the third of the sale price from HM the Queen and the late Mr Don Ferguson's sale entry at time of the first sale, this year's inaugural "Futurity" winning owners Tom and Fran Bennett received \$2000 in prize money. All owners/exhibitors of in-milk 2 year olds shown receive a monetary award.

It is envisaged that further sponsors will be supporting the judging of this year's calves as 2 year olds at the 2020 shows where eligible.

Burdettes are getting harder to find now, let alone one out of a Trident's Lot cow out of Te Awhata Yeh Nah who has won so many show ribbons for us. This calf has a beautiful nature, one of the friendliest in the mob and we think she has a big future.

She is a tall stylish heifer by Corvette who has proven himself as a sire of show winners. Her dam is a favourite of ours. The grandam is a great uddered Talent daughter who consistently produces plenty of milk. Proven show success behind Dasher with the dam placing 5th in the junior yearling at the NZ Dairy event.

The sire of Graceful is a full brother to Flathills Awe Kix - red, who is currently being marketed by Genetic Enterprises. Kandieman is directly from the legendary Luck-e-Holsteins herd and his dam is an EX94 Guthrie cow. Graceful's great grandam is Okawa Lesdale Lucas Graceful EX2 who is one of many great cows produced from the famous Lesdale herd. She won supreme champion at the NZDE 2010 Youth show and also won supreme champion at the 2010 Easter Show. Graceful is a tidy, stylish calf that has a good depth of pedigree. Electra's grandam is Okawa Talent Electra EX. She was sold to the Gates family at the Pencarrow Sale in 2013 who then sold her on at their dispersal making \$8000.

Electra's great grandam was

classified 9-9. We are now milking Mogul daughters that have correct frames and high quality, well attached udders.

This is a long, clean dairy calf that you don't want to miss out on.

Our Jedi calves this season are doing exceptionally well, proving to be strong calves that are good doers. Jedi is a +2509 lbs for milk with a +3.7 DPR. He is a great outcross sire proving to work well with our herd and

producing show winners around the world for other herds. Marcy's dam continues to prove herself as a well performing, correct dairy cow. This calf has clean, sharp dairy bone with great width throughout.
