

HERBY LUTZ, SELECT SIRES

Herby Lutz, Select Sires/WWS Jersey Development Manager is traveling to New Zealand this month. Please join Herby in an open session digging into all things Jersey at Select Sires, what the future looks like, and what kind of cow does the world and New Zealand need in the future.

Herby has been instrumental on the Select Sires Jersey sire team since September 2008 and has had a huge impact on the World Wide Sires Jersey program. He is also an accomplished judge, having judged national shows in many countries, including the 2005 IDW Jersey Show.

Herby's wife, Amanda, and their son Hobbs currently operate Her-Man Jerseys at Sunny Day Farm in Chester, South Carolina.

WE WISH TO INVITE YOU TO TALK ALL THINGS JERSEY

HERBY LUTZ, SELECT SIRES

Herby Lutz, Select Sires/WWS Jersey Development Manager is traveling to the Naki this month. Please join this very enthusiastic Jersey expert in an open session digging into all things Jersey at Select Sires, what the future looks like, and what kind of cow does the world and New Zealand need in the future.

Herby has been instrumental as a Dairy Sire Analyst for Select Sires since September 2008 and has had a huge impact on the World Wide Sires Jersey program. He is respected as one of the world's great Jersey Sire Analysts as well as being an accomplished judge, having judged national shows in many countries, including the 2005 IDW Jersey Show.

Herby's wife, Amanda, and their son Hobbs currently operate Her-Man Jerseys at Sunny Day Farm in Chester, South Carolina.
