# PRIDE 2019

A photograph of a herd of Jersey cows grazing in a lush green field. The cows are of various shades of brown and tan. In the background, there are trees and a utility pole with a cross-arm. The sky is clear and blue. The image is framed by a dark grey semi-circle at the top and a golden-brown semi-circle at the bottom.

JERSEY PRIDE SALE 2019

## FOREWORD

Photographs will be used for the auction  
(projected onto a screen)

Please bring this catalogue to the sale.  
(Conditions of sale overleaf)

This the 26th occasion of the Jersey Pride Sale and will be held at the unique venue of Forsyth Barr Stadium. Our goal is to offer elite jersey genetics that will appeal to most breeding plans.

The squad of 16 includes proven performers with a wealth of milking experience, a group well prepared by their respective strength and conditioning coaches ready to fire in the new season, and another group of as yet unproven performers of impeccable pedigree that will be riding the pine for another season. In World Cup year we have been able to pick our best available team with confidence that they will perform to the highest level.

We again appreciate the support of the coaches and managers.  
Pick a bolter for 2019--Link Livestock Limited--Linking Buyers and Sellers.

**Ross Riddell**  
Sale Manager.

### AUCTIONEER:

The sale will be transacted by LLL per its condition of sale (see next page)

Link Livestock Ltd  
Ross Riddell : 027 2111 112  
Grant Aiken : 027 245 8821  
Karen Fitzgerald : 0274 080 098

**Sale will comprise:**  
6 in-calf heifers  
5 cows  
5 yearling heifers

**Including 12 Semen packages provided by LIC**

**DISCLAIMER:**

The information printed in this catalogue is derived from data supplied by the vendors and stored in the National database. Although every care has been taken to ensure accuracy in the production of this catalogue, the vendors, the vendors' agents, the Auctioneers or its agents, LIC, its subsidiary or its agents who collect, process or publish the information supplied; and the printer do not take any responsibility or liability for any errors, omissions or misstatements contained herein.

**OSH:**

Every effort will be taken by the Vendors, Auctioneers, their staff and assistants, both on the day of the sale as well as on any other visits of inspection to ensure the safety of intending buyers and visitors. However, we wish to advise that this is a farm run under normal management conditions and certain dangers exist in relation to livestock and their environment. Visitors should take all care to ensure their personal safety and children must be supervised at all times.

**CONDITIONS OF SALE**

**FEMALE GUARANTEE:** Every female shown as bred on a certain date, except any which may have been served within six weeks of the sale, is guaranteed in-calf. Every female where shown as pastured with a bull is guaranteed in-calf. This guarantee expires five weeks from day of sale.

Where this catalogue specifies an expected calving date (other than a pastured with bull expected calving date), and that date later proves to be completely inaccurate, the Vendor shall refund 25% of the purchase price direct to the Purchaser. As a basis of arbitration a period of fourteen days either side of specified calving date shall constitute the maximum tolerance allowed for calving. The 25% refund shall not apply where pastured with bull details and dates are printed in this catalogue, unless it is specifically stated that the specified calving date guarantee is to apply.

The foregoing conditions shall apply only after the following guarantees:

- Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the Vendor subject always to liability under other clauses contained in the Conditions of Sale and the Special Conditions of Sale. The purchaser has the right to retest at his or her own expense before delivery is made from the place of sale.
- Where a female is offered for sale as being in-calf, without a supporting Veterinary Certificate and the female is subsequently proved to be empty the Purchaser has the right to return the female to the Vendor or carry out such disposal as the Vendor may instruct and the Vendor will refund to the Purchaser the purchase price plus the transport costs only.
- Mummified Calf: Where any female sold as being in calf proves to be carrying a mummified calf, no responsibility is to be born by the Vendor.
- Yearling Heifer Guarantee:
  - Yearling Heifers sold as unmated, are sold with the guarantee to breed. The term to breed shall constitute to produce a calf, dead or alive. Should the heifer fail to produce a calf by 31 December 2018, the Vendor shall refund in full the purchase price.
  - Where a yearling heifer is sold as unmated, this constitutes a guarantee that the heifer is not in-calf as at the date of sale.
  - The use of MOET or IVP reproductive techniques on a female after purchase completely negates the breeding warranty.
- Any complaint to the Auctioneers will not be accompanied by a Veterinary Certificate; word of mouth will not be sufficient proof.

**DELIVERY:** All purchases, as is customary, will be at BUYER'S RISK FROM FALL OF THE HAMMER. **INSURANCE:** If Transit or Annual Insurance is required, such cover can be arranged through the Auctioneers on application.

**INSTRUCTIONS:** Purchasers are asked to sign dockets before leaving the sale and to leave full and explicit transport instructions.

**TRANSFERS:** Vendors are responsible for completion of all transfers. No purchaser shall be entitled to withhold payment for pedigree stock pending execution of delivery by the Vendor of the transfer of the same, registerable in the Stud Book.

**COMMISSIONS:** If it is not possible to be present, the Company's Stud Stock Specialists who are thoroughly conversant with the offering will be glad to make selections or bid on specified lots according to instructions.

**TERMS:** Payment by 10 days following date of sale.

**OTHER CONDITIONS:** The sale is also subject to the general conditions of sale displayed at the sale.

**DWFY 15-22 | Ruanui LT Dixie**

*LT Dixie is a cracking good young cow, contracted to CRV for the calf she is carrying, and she has been offered a contract with LIC for the 2019 season. Her outcross genetics make her a very desirable proposition. She is typical of our Terrifics with outstanding conformation, top production, fertility and temperament.*

DRKQ 16-9 | Riverina Degree Jay

Degree Jay is carrying a LIC contract calf and can be contracted to either LIC or CRV Ambreed next season. Coming from the "J" family from Willersden out of the the great old cow Gwynford Helen V.H.C. who calved every year until 19. Through her daughter Willersden Jean V.H.C. (Minella Prims Honour) who was an LIC contract cow in the late 1970's (3 bulls were purchased) now 10 generations later (approx) the family is still performing at an elite level. Riverina Maunga Josie is the dam of Riverina Jay Z BW 187 marketed by Liberty Genetics and also Riverina Jackman – the sire of Riverina Jacks Chuckee – Dam of Riverina Ronaldo Champ.

GLCW 13-43 | Mirodale Sarah S2J

A close look at this pedigree will reveal less common genetics of a very high and consistent standard. Sarah is one of the best cows i have ever milked and combines consistently high indexes and farmer traits ticking the boxes. I wish the purchaser well.

**KGQL 16-24 | Baldrick Integ Bell ET**

In support of the Jersey Pride Sale we're offering our highest BW cow currently in our herd, Integ Bell descends from Pukeroa Zellás Belleró. Her dam Pukeroa Degree Bellett has never got in calf due to excessive ET work as a yearling but has two daughters that have put bulls into LIC this year. Currently Integ Bell is carrying a contract calf by Crescent Monopoly with LIC. With an EX2 classification she should appeal to all in the jersey industry,

**RTP 16-41 | Ashvale Terri Tulip ET**

A tall capacious Terrific daughter from the renowned Merrifields Tulip family. We are retaining her ET full sister. Maternal sister to Ashvale Tulleys Tansy 604 ms @ 4 years and Ashvale Oscars Team 587 ms @5 years who was a Jersey Genome outcross selection. Their dam Nevy Tulip is in Clive and Donna Perrott's herd.

### LDJX 18-5 | Freydan Tstar Gem ET

Freydan Tstar Gem ET is the result of the Generate Programme last year and has been requested to participate in the programme herself, with a Genomic BW of 273 PW 310. LIC bought her full brother this year Freydan BT Glory ET 319031. We consider Gem to be our best yearling heifer and descending from the Pukeroa Bracelet family enhances her value. Her height and length gives her a real presence.

### BHDQ 18-6 | Glanton Triple Bardot ET

We offer for sale our best yearling, Triple Bardot. She comes from the elite cow family at Glanton. We consider her great granddam, Mans Blanche, to be the best cow we have bred in forty years. This season, at 13 years, she had an LW of 397. The eldest of Blanche's nine daughters at Glanton, Aims Bianca, BW 234, PW 504, is our regular entrant in industry cow competitions. Triple Bardot's dam, Heads Bailey, is the best performing two year old we have had for many years and her outstanding granddam, Tana Blysse, has a son, Glanton Desi Banff (318021), with a genomic BW of 318. This yearling is very well grown, BVD negative and has an LIC contract.

DWFY 18-20 | Ruanui Terr Destiny

Lynbrook Terrific would have to be my favourite NZ jersey bull of all time. Consistent production, conformation, temperament and fertility are hallmarks of this bull. This yearling is out of our highest BW cow.

CNKH 18-35 | Ferdon Blackstone Babe

Blackstone has been the most successful sire here at Ferdon in recent years and we thought long and hard about putting Babe in the Jersey Pride Sale as Blackstone semen is no longer available, her pedigree is deep, Babe is 9 generations from Oaklea Bellbird VHC 1000 gal cow, the foundation cow of this family.

## GBW 17-124 | Norlands Floyd Polkadot

From one of our favourite families at Norlands is a heifer we think is finally worthy of been sold at Jersey pride. Capacity, components and longevity stand out. A heifer that always catches the eye in the mob. Run with home bred DNA profiled jersey and jersey cross bulls till 20th December 2018. Prior sale inspection welcome. Euan 021701723

# BVHT 17-27 | Chardonnay CBD Yan

Yan is from a very consistent family featuring 2 Jersey Genes sires in her pedigree providing some different genetics and CRV contract mated to Omega then pastured with 3 DNA identified jersey bulls from 16/11/18 to 22/12/18. A very powerful heifer.

LIC. Proud to support Jersey NZ & the Jersey Pride Sale.
