### FEMALE GUARANTEES:

1. Every female shown as bred on a certain date, except any which may have been served within six weeks of sale, is guaranteed in-calf. This guarantee expires 28 days from the sale date.
2. Where a sale catalogue specifies a calving date and the resultant calf is not acceptable for registration by the MINDA service of the Livestock Improvement Corporation (LIC) or by the relevant Breed Society because the calf is born eleven days or more either side of the specified calving date and the paternity is not able to be verified the seller shall refund 25% of the purchase price plus GST direct to the buyer.  
This clause 2 does not apply if the sale catalogue states that a bull was pastured after AB ceased.
3. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the seller subject to liability under the other clauses contained in the Conditions of Sale. The buyer has the right to retest at their own expense before delivery is made from the place of sale.
4. Where a female is offered for sale as being in-calf, without a supporting veterinary certificate and the female is subsequently proved to be empty, the buyer has the right to return the female or carry out such disposal as the seller may instruct and the seller will refund direct to the buyer the purchase price plus the return transport costs.
5. Cows sold as not in-calf at the time of sale, shall be sold with a guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the cow fail to produce a calf by the 31 December 2020, the seller shall refund in full the purchase price direct to the buyer.
6. Heifer calves are sold with a guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the heifer fail to produce a calf by the 31 December 2021, the seller shall refund in full the purchase price direct to the buyer.
7. Where females are sold as not in calf, (including yearlings and calves), are flushed for embryo transfer, either with or without success, all guarantees to breed become null and void.
8. Where any female sold as being in-calf proves to be carrying a mummified calf, no liability will fall on the seller.
9. Any animal which is sold as in-calf but subsequently aborts the foetus after delivery is the responsibility of the buyer and no liability will fall on the seller.
10. Any claim to the auctioneers must be accompanied by a veterinary certificate.

## AUCTIONEERS FOREWORD

*After the resounding success of last year's judging result and subsequent "awards" evening the organisers have again gone for the same concept. While it is a pity the entries could not be paraded, much interest has still been generated among the young competitors and only positive feedback has been received.*

*Congratulations to all of those with entries in this year's sale. Thank you to you all for your continued support of this initiative in support of our youth. At a time when farming is coming in for much unsubstantiated criticism it is great to see a "positive" happening.*

*All the best of luck to purchasers.*

Unfortunately the dam of this capacious calf calved in as a 2yr old with bad mastitis and is now a 3/4 cow. Lots Honda needs to see the classifiers again this season to get her EX. I will be surprised if she doesn't get a 9 for rear udder. This is a sire stack that represents the best four bulls used at Brookview in the last 20 years. Family goes back through the female line to the great Laurelbank Hyacinth EX.

Debbie is a very quiet natured animal and has been an absolute dream to halter train and photograph.

She is well balanced on a good set of legs and carries herself well. She as perfect for someone new just starting out on their showing journey.

Her Dam was purchased in the NZDE 2017 Futurity Sale, and has been a pleasure to own. She competes and produces extremely well with our large Holsteins. She was placed in the Ayrshire yearling class in the Waikato on farm 2018. And is entered in this years 2019 Futurity Class.
