## CONDITIONS OF SALE

**FEMALE GUARANTEE:** Every female shown as bred on a certain date, except any which may have been served within six weeks of the sale, is guaranteed in-calf. Every female where shown as pastured with a bull is guaranteed in-calf. This guarantee expires five weeks from day of sale.

Where this catalogue specifies an expected calving date (other than a pastured with bull expected calving date), and that date later proves to be completely inaccurate, the Vendor shall refund 25% of the purchase price direct to the Purchaser. As a basis of arbitration a period of fourteen days either side of specified calving date shall constitute the maximum tolerance allowed for calving. The 25% refund shall not apply where pastured with bull details and dates are printed in this catalogue, unless it is specifically stated that the specified calving date guarantee is to apply.

The foregoing conditions shall apply only after the following guarantees:

1. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the Vendor subject always to liability under other clauses contained in the Conditions of Sale and the Special Conditions of Sale. The purchaser has the right to retest at his or her own expense before delivery is made from the place of sale.
2. Where a female is offered for sale as being in-calf, without a supporting Veterinary Certificate and the female is subsequently proved to be empty the Purchaser has the right to return the female to the Vendor or carry out such disposal as the Vendor may instruct and the Vendor will refund to the Purchaser the purchase price plus the transport costs only.
3. **Mummified Calf:** Where any female sold as being in calf proves to be carrying a mummified calf, no responsibility is to be born by the Vendor.
4. **Yearling Heifer Guarantee:**
  - a) Yearling Heifers sold as unmated, are sold with the guarantee to breed. The term to breed shall constitute to produce a calf, dead or alive. Should the heifer fail to produce a calf by 31 December 2018, the Vendor shall refund in full the purchase price.
  - b) Where a yearling heifer is sold as unmated, this constitutes a guarantee that the heifer is not in-calf as at the date of sale.
  - c) The use of MOET or IVP reproductive techniques on a female after purchase completely negates the breeding warranty.
5. Any complaint to the Auctioneers must be accompanied by a Veterinary Certificate; word of mouth will not be sufficient proof.

**DELIVERY:** All purchases, as is customary, will be at BUYER'S RISK FROM FALL OF THE HAMMER. **INSURANCE:**

If Transit or Annual Insurance is required, such cover can be arranged through the Auctioneers on application.

**INSTRUCTIONS:** Purchasers are asked to sign docket before leaving the sale and to leave full and explicit transport instructions.

**TRANSFERS:** Vendors are responsible for completion of all transfers. No purchaser shall be entitled to withhold payment for pedigree stock pending execution of delivery by the Vendor of the transfer of the same, registerable in the Stud Book.

**COMMISSIONS:** If it is not possible to be present, the Company's Stud Stock Specialists who are thoroughly conversant with the offering will be glad to make selections or bid on specified lots according to instructions.

**TERMS:** Payment by 10 days following date of sale.

**OTHER CONDITIONS:** The sale is also subject to the general conditions of sale displayed at the sale.

# FOREWORD

The 27th edition of the Jersey Pride Sale for the first time will not be held at the JerseyNZ AGM and Conference and will be conducted on line.

Modern technology has enabled us to transition from cattle physically at the auction, progressing to photo sales with those present and those on phones bidding, to this years edition on Bidr live online.

As with many new technologies adoption has not been instantaneous nor expected to be. As more buyers and watchers have connected results have been very satisfying to all parties, also fascinating.

The annual Jersey Pride sale has become one of the feature auctions looked forward to by vendors, purchasers and interested people.

The 2020 edition includes cows suitable for flushing with gBW's up to 366, an incalf cow with PW 600, incalf heifers to gBW 300+ and yearling heifers to BW 294. Fifteen straws of scarce Lynbrook Terrific semen will also be auctioned adding to the overall standard and variety on offer. Showcasing elite genetics with Pride.
