

JERSEY PRIDE 2023

When: 30TH March - 7:30pm
Where: IIT Stadium Southland, Invercargill
& Bidr.co.nz

DISCLAIMER:

The information printed in this catalogue is derived from data supplied by the vendors and stored in the National database. Although every care has been taken to ensure accuracy in the production of this catalogue, the vendors, the vendors' agents, the Auctioneers or its agents, LIC, its subsidiary or its agents who collect, process or publish the information supplied; and the printer do not take any responsibility or liability for any errors, omissions or misstatements contained herein.

OSH:

Every effort will be taken by the Vendors, Auctioneers, their staff and assistants, both on the day of the sale as well as on any other visits of inspection to ensure the safety of intending buyers and visitors. However, we wish to advise that this is a farm run under normal management conditions and certain dangers exist in relation to livestock and their environment. Visitors should take all care to ensure their personal safety and children must be supervised at all times.

CONDITIONS OF SALE

FEMALE GUARANTEE: Every female shown as bred on a certain date, except any which may have been served within six weeks of the sale, is guaranteed in-calf. Every female where shown as pastured with a bull is guaranteed in-calf. This guarantee expires five weeks from day of sale.

Where this catalogue specifies an expected calving date (other than a pastured with bull expected calving date), and that date later proves to be completely inaccurate, the Vendor shall refund 25% of the purchase price direct to the Purchaser. As a basis of arbitration a period of fourteen days either side of specified calving date shall constitute the maximum tolerance allowed for calving. The 25% refund shall not apply where pastured with bull details and dates are printed in this catalogue, unless it is specifically stated that the specified calving date guarantee is to apply.

The foregoing conditions shall apply only after the following guarantees:

1. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the Vendor subject always to liability under other clauses contained in the Conditions of Sale and the Special Conditions of Sale. The purchaser has the right to retest at his or her own expense before delivery is made from the place of sale.
2. Where a female is offered for sale as being in-calf, without a supporting Veterinary Certificate and the female is subsequently proved to be empty the Purchaser has the right to return the female to the Vendor or carry out such disposal as the Vendor may instruct and the Vendor will refund to the Purchaser the purchase price plus the transport costs only.
3. Mummified Calf: Where any female sold as being in calf proves to be carrying a mummified calf, no responsibility is to be born by the Vendor.
4. Yearling Heifer Guarantee:
 - a) Yearling Heifers sold as unmated, are sold with the guarantee to breed. The term to breed shall constitute to produce a calf, dead or alive. Should the heifer fail to produce a calf by 31 December 2023, the Vendor shall refund in full the purchase price.
 - b) Where a yearling heifer is sold as unmated, this constitutes a guarantee that the heifer is not in-calf as at the date of sale.
 - c) The use of MOET or IVP reproductive techniques on a female after purchase completely negates the breeding warranty.
5. Any complaint to the Auctioneers must be accompanied by a Veterinary Certificate; word of mouth will not be sufficient proof.

MALE GUARANTEE: The entry of any bull in this catalogue constitutes a guarantee by the seller that the purchase price without interest, expenses, costs or damages shall be refunded if notice of fertility or failure to breed is accompanied by a veterinary certificate and MUST be in the hands of the vendor within four months of delivery. Where a bull is not a breeder the purchase price without expenses will be refunded. The cost of taking delivery and returning the bull to the seller is to be borne by the buyer.

DELIVERY:	All purchases, as is customary, will be at BUYER'S RISK FROM FALL OF THE HAMMER.
PRICING:	All animals are sold in NZ dollars exclusive of GST, unless otherwise stated.
ONLINE PURCHASING:	You should only place a bid if you intend to buy the animal on offer at the price entered. If you place the winning bid where an Agency has agreed to accept the charges for any purchases made by a user in an Auction, charging will be applied to that agency for all lots purchased by the user in that Auction.
INSURANCE:	If Transit or Annual Insurance is required, such cover can be arranged through the Auctioneers on application.
INSTRUCTIONS:	Purchasers are asked to sign dockets before leaving the sale and to leave full and explicit transport instructions.
TRANSFERS:	Vendors are responsible for completion of all transfers. No purchaser shall be entitled to withhold payment for pedigree stock pending execution of delivery by the Vendor of the transfer of the same, registrable in the Stud Book.
COMMISSIONS:	If it is not possible to be present, the Company's Livestock Agents who are thoroughly conversant with the offering will be glad to make selections or bid on specified lots according to instructions.
TERMS:	Payment by 10 days following date of sale.
OTHER CONDITIONS	The sale is also subject to the general conditions of sale displayed at the sale.

FOREWORD

The 30th edition of Jersey Pride speaks to the longevity of this prestigious event which will this year be held at the Jersey NZ Conference in Invercargill.

Being held at an earlier date will facilitate easier transportation of the entries to their purchasers.

Entries which include cows and In-calf heifers are again of a high genetic standard and given the abundance of feed in most parts of New Zealand will come forward in good shape.

As usual the sale of cattle will be followed by the LIC sponsored semen auction which can be viewed on bidr.

We thank our vendors who offer their top genetics with some reticence but in the breed and Jersey NZ's best interests.

Good luck to vendors and purchasers.

On behalf of Link Livestock Ltd.

LOT 4 | Ruanui Terr Daisy

Terr Daisy is from a different branch of our Dixie family going back to the Avery Action cow. Plenty of production, classification and index here. Daisy and her dam Zello Dixie are a couple of herd favourites.

LOT 7 | Riverina Pop Celeste -ET

A very big Popeye daughter that is a result of and has been in the generate programme. Along with her the purchaser also gets a beefy carrying a calf due May/June (all contract calves). She herself was run with 5 very high BW bulls (without IP). 3 bulls from this family have been selected by CRV in the last few years and is by far our most prolific cow family in the herd. Originating from the great old matron "Kymchelle Ad Candy". He GBWQ is an impressive 499 and carries a contract with LIC for the next seasons mating. Calves are 3 heifers by "Baileys GJ Decipher "ET and 2 unsexed calves by "Riverina Lozaro Jake".

LOT 8 | Glanton KFP Bane -ET

A2/A2

We offer for sale our top heifer, Glanton KFP Bane-ET, gBW 482. Her dam, Index Brisbane, has two sons at LIC - Flynn Brisbane, BW 425 and Lamar Bismarck. Her granddam is Tana Blysse - whose sons include Desi Banff BW 510. Her great granddam, Mans Blanche, was a 2022 Jersey Hall of Fame inductee. Other bulls from this cow family include Bastille, Brahms, Baltic, Bastian, Berlin, Belfast etc. Bane-ET is very well grown, carries an LIC contract and is contracted for next season. Our Jersey Pride heifer last year, Punch Briar-ET, classified 8-8 and has a LW 560. BVD Negative

LOT 10 | Glenui Hoss Parveen -ET

A2/A2

Parveen ET is from the P family by Glenui Degree Hoss. Combining 2 extremely good families from Glenui. Her dam Quad Pravin GP 84 is developing into a very good cow, who has been contract mated since a yearling. Both Parveen ET and Pravin are LIC contracted for 2022 & 2023. Her grand dam Intergrity Pyrine EX2 recently won the best Industry cow class in the Hawera Jersey club on farm show. All 3 daughters of Pyrine are LIC contracted for 2023. Her great grand dam Ascent Prime EX2 was a very capacious cow with 10 lactations. Two bulls Zambezi Peyton & Zambezi Pedro ET were purchased by LIC in 2021, from a slightly different branch of this developing family. Lwt - 435kgs on 3/3 gBW 424 PW 384

LOT 11 | Merrifields Titus Shirley

We are offering this good typed heifer who is our most valuable In-calf heifer. Carrying a LIC contract she comes from one of original families and is backed by 10 generations of Excellent and V.G cows. Her grandam is one 3 excellent sisters while her dam is one of our favourite cows. So, in offering this animal we are giving someone the chance to capitalise on her value gBW 425, pastured with 3 high BW, DNA profiled bulls from 3/11/22 till 24/11/22

LOT 12 | Lynbrook Corby Ocean

A2/A2

gBW 430(genomic tested) A2/A2, Parent verified, BVD negative. Scanned and confirmed to her Bremen contract mating. Corby Ocean is a well grown quiet heifer looking promising at this stage. Her dam Star Ocean scored an impressive 9 DC at 2yrs. Corby Ocean has an LIC contract offer again next spring. This family was established when we purchased Genesis Forever Opal Ex 9-9 who did extremely well in the LIC Generate herd. The Opal /Ocean family have a number of very good cows in the herd today. Her dam is calving early again next spring with an LIC contract. Corby Ocean is a half-sister to 323047 Lynbrook Berkley Oryx purchased by LIC spring 2022

LOT 13 | Ellison Conn Laura -ET

Laura is a very capacious heifer that has been scanned pregnant to the LIC contract mating. She has an LIC contract request for the 2023 mating. LIC and CRV have taken 11 bulls from this family. Laura is a maternal sister to Ellison Speedway Audi 316014, BW 348/88, ranked 5th in Guess update for udder overall of 1.16. Laura is also a maternal sister to Ellison Marcus Lauren, 322956, who was a member of the spring '22 Matriarch bull team. Crescent used a maternal half-brother to the dam of this heifer with considerable success. As you can see from the BW and PWs, this family know how to produce milk solids over many lactations. Laura's full genomic BVs and Indexes are available, she was 380kg liveweight on 21/02 and is negative for BVD virus. Inspections welcome.

LOT 16 | Riverina Mard Omalley S3J

A very tidy heifer by "Sunset Canyon Got Maid" ET. We have 9 to clone next year. I have a gut feeling he will cross very well with NZ genetics. From an 8-8 Terrific cow from the Noakes herd. This season there are 4 bulls going into LIC and Matriarch Genetics from 3 different Noakes cow families. This one could start the next family to excel!! Run with 5 very high G3 profiled bulls (with no IP).

P001.50

LOT 17 | Ruanui Hoss Adelene

The Norlands cows in our herd have performed very well and excelled at producing heifer calves. The cows on the bottom line all have PWs above BWs and this heifer projects class.

LOT 18 | Glenui Mono Larena -ET

A2/A2

Larena ET is from the well-known Lace family by Crescent Excell Monopoly. Her dam Veracity Laraine VG 85 recently won the 3yr old section of the Hawera Jersey club on farm show, and also was judged as Res Champion. Her grandam Goldie Larissa ET EX4 is one of 4 full sisters, all of whom have bulls go into LIC & CRV sire proving. Larissa's eldest sons are Glenui BT Liberation BW 445 and Glenui Triple Lyndon BW 370, have their first crop of daughters milking this season. Her great grand dam is Integrity Lace ET VG7, certainly one of the best cows we have bred. She has had 7 sons and 13 grandsons go into sire proving. 4 of her sons were proven last season, BC Laredo ET S3J BW 376, Super Larkin ET BW 425, SS Liam S3J BW 464 & Super Laird ET BW 396. Lwt - 392kgs on 3/3 gBW 439 PW 396

P001.50

Every generation. Better.

Our farms and our futures depend on us farming smarter. We have reached peak cow numbers and the nation is calling for better cows. Cows that can generate more milk, more efficiently. Cows that can produce more milks solids with less liveweight. Cows that can better utilize nutrients with lower nitrogen and methane outputs.

Our Premier Sires® teams have been expertly chosen to help you accelerate your rates of genetic gain. While our Sexed team provides a 90% chance of generating heifer replacements from your best cows.

And every gain you make, filters through the national database, building herd insights and empowers other farmers to make better decisions for the next generation.

Talk to your Agri Manager today about farming for the next generation. Farm smarter with Premier Sires.

There's always room for improvement
