The 75 YEARS CELEBRATION Sale 2024

BRINGING PEOPLE TOGETHER THROUGH COWS

What better way to celebrate 75 years in the industry than by bringing together the very things that make it all worthwhile – the cows and the people?

The essence of this gathering is to take a moment to honour our journey, and the people we've been lucky enough to share it with.

Cows have been our life; they have taken us around the world, we've met so many wonderful people and made lifelong friends through our intense love of registered animals. Not least among those connections was Dad's enduring friendship with Queen Elizabeth II. During his entire dairying career, Dad visited the Queen's herd 11 times, and he used to speak with her once a month on the phone.

WHAT TO EXPECT

The bloodlines in this catalogue have been carefully curated by our family over several generations, and we have steadfastly held to our conscious intent to breed modern dairy cows that look good while they fill the bucket. Choosing the sale animals for this celebration sale has been like choosing a show team.

We have started it off with one of the very best we can offer. Ferdon Victorious Flower VG87 goes back to Dad's very first Champion cow, Glenmore Sweet Choice. Flower's sixth dam was one of Dad's all-time favourite cows – from one of his main families – Ferdon Tandras Flower. Tandras Flower won Champion Cow at the Waikato Show three successive times.

We could have easily loaded Victorious Flower up for the NZDE. She was in the yard, we considered it, and some prefer her to our NZDE Intermediate Champion, Ferdon Victorious Shirlee VG87.

The two of them finished one-two in the Semex On-Farm (Waikato) competition. We believe both young cows are set to have huge futures, and we will let you decide which one is best. Shirlee sells at lot 5.

MORE THAN ONE BREED

We will also offer some Holsteins and Ayrshires in a nod to our respect and enjoyment of all good cows – regardless of breed. This will be a sale of yesteryear in some ways because our herd will also be on display.

We are thrilled to share this day by including some offerings from our good friends at Waipiri Holsteins. Dad and Bill Fullerton were fast friends, groomsmen for each other, and more than once – across three generations – our families have travelled to shows together. David and I were best men for each other, we've shared the ring at IDW, and it is an enduring connection we feel lucky to have.

On a personal note, I do want to pause and give special credit to Michelle, who has worked shoulder-to-shoulder with me on a journey that has become as close to her heart as it is to mine. Not every day in farming is great, and these special days remind us all why we do it.

THE HEART OF IT ALL

Cows to our family are not "just cows".

They're the heart and soul of Ferdon.

We look forward to welcoming everyone to our farm, to celebrate 75 years of Ferdon with us.

Warren Ferguson

IT IS INDEED MY PRIVILEGE TO BE AUCTIONEER FOR THE FERDON '75 YEAR CELEBRATION SALE'

What an amazing catalogue of the very best in Jerseys, Ayrshires and Holsteins to be offered.

The name Ferdon is synonymous with 'Quality'. Yes, the Ferdon bloodline has excelled all over the Jersey World.

We are all aware of the incredible achievements the Ferguson family has received in New Zealand over the past 75 years, but let's take a little time to reflect on the many major Grand Champions Ferdon Jerseys have won for others throughout the United Kingdom for the famous Windsor herd and indeed many others. If we look at so many of the great Jerseys in that part of the world today we sure do find Ferdon in their backgrounds.

I think about **Ferdon Glens Constance**, a former Melbourne Royal in-milk Junior Champion who went on to breed offspring to win the Great Southern Grand Champion in Australia and then breed the leading AI Sire – Aussiegold-P who has sired many daughters to classify EX both in Australia, NZ and indeed recently in the USA.

I then think of **Ferdon Vins Sandra** who won Grand Champion at Melbourne Royal and her female offspring then bred so many leading AI Sires in Australia including the celebrated Raceway. Let's not forget the two-time IDW Grand Champion Bushlea Brook Maybell, EX 94, her dam by son of the many time champion Ferdon Tandras Flower. Yes, the Ferdon bloodline is one that has truly bred on right around the World!

I have been visiting Ferdon since 1987. That day seeing Ferdon Harvest Elva, who I still consider one of the very best Jerseys I have ever seen anywhere in the world! However, my greatest day at Ferdon was a few weeks prior to the NZ Dairy Event 2023 when inspecting the show team with my late father-in-law, Maurice Carter, who was Don's lifelong friend. I'm not sure I have walked through a better paddock of Jersey cows – simply incredible! Most of those great cows are indeed represented in this catalogue.

I congratulate the Ferguson family on their 75 years, and thank them for their incredible contribution to the betterment of the registered dairy cow.

I look forward to seeing you on sale day.

SALES FORCE FOREWORD

Welcome to this sale held to celebrate 75 years since the Ferdon stud was established by the late Don Ferguson together with his wife, June. What an outstanding legacy has been left to Warren and the family to continue with.

Founded on the very best bloodlines available at the time, it has been enhanced by the very best sire selections from across the world. Ferdon is renowned for its outstanding female families and show achievements. Always presented with great precision, no other stud in New Zealand has had the sustained success Ferdon has enjoyed in the showring.

Warren and Michelle, together with their family, have continued the family's legacy with just as much professionalism and perfectionism. This offering across all breeds includes many that have won recent championships at the highest levels, and others that are destined for greatness in the future.

It allows breeders and prospective purchasers the opportunity to select from the very best – in a potent offering that is rarely available.

To June, Warren, Michelle, and the family – congratulations on achieving 75 years of Ferdon. You can be very proud of the catalogue you have put together, the individuals presented for sale, and all of the achievements attained by the Ferdon herd.

Good luck with the sale, and to all purchasers, we wish you luck and success with your choices.

A RIGHT ROYAL VISIT THE DAY THE QUEEN CAME TO FERDON

It all happened in the front paddock at Ferdon on February 4, 1990.

The story that has been told and re-told – because it is the day the UK’s longest reigning monarch, Queen Elizabeth II – visited Ferdon.

It also represented a celebration of Don’s years of hard work with the cows of Ferdon, and it was an event he shared with his family and the community.

Don’s connection with the Queen started in 1975, when he and June travelled to the English Royal Show at Stoneleigh Park near Kenilworth, where the Queen’s cows were exhibited. Don wasn’t that impressed by the royal herd, and told her somewhat-startled herdsman as much, showing him photographs of the Ferdon Genetics’ Jerseys at home in New Zealand.

Above: On the front porch at Ferdon farewelling the Queen
Below: Don and Her Majesty at Ferdon with Ferdon Tandra's Eve

Her Majesty and Don talking about cows in the paddock at Ferdon

Her Majesty and Don Ferguson at Windsor with Ferdon Tandra's Elizabeth

ROYAL *Visit to Ferdon*

Don first met Her Majesty in person in 1977, in the lounge of the Te Rapa Racecourse at Hamilton on the North Island. When Queen Elizabeth returned to New Zealand in 1990 for the Commonwealth Games, she asked to visit the Ferguson family's farm.

On that historic day, family and friends lined the road to Ferdon to welcome her. After the official welcome, Her Majesty and Don wandered a freshly mowed paddock viewing Ferdon's grazing herd.

Ferdon Tandra's Eve drew the Queen's eye that day, and her full sister, Ferdon Tandra's Elizabeth, would later be exported and included in the Windsor herd.

A garden party was held for family and friends while Her Majesty, Don and June, the Queen's lady-in-waiting, and Warren and Michelle enjoyed a cup of tea in the front room, which included a spread of pikelets, blueberry tarts, asparagus rolls and Bell tea.

The Queen's presence is remembered as gracious and warm – and she left a lasting impression, not simply as a Monarch, but as a new friend who appreciated the values and traditions of Ferdon's cows and of the Ferguson family.

This day remains one of Don and June's proudest days on-farm. In 1992, Don and June spent four months living in a flat at Windsor Castle, when Don took on a brief term as the Queen's herdsman.

Don's friendship with the Queen lasted until his passing in 2017, and the Queen then extended her friendship to Warren until her own passing in 2022.

This story will continue to be recounted with great fondness amongst the Ferguson family for generations to come.

Because it was the day that Royalty stepped into their lives.

WAIPIRI + OKAWA INVITATION LOTS

THANK YOU FERDON FOR INVITING WAIPIRI TO PARTICIPATE IN YOUR "75TH CELEBRATION SALE".

It is humbling and an honour bestowed on very few. The unique friendship of the Ferguson and Fullerton families goes back to the World War II era when the two families were setting up their farming operations in the Ohaupo district.

For Waipiri we have put our very best Holsteins forward to honour the Ferdon Standard of Excellence.

I speak for all the wider Fullerton family in saying we salute the Ferguson family.

- Wonderful young cow that has just won the Regional Semex On-Farm for three year olds. Super rear udder and with another calf and more maturity is a rather easy choice for the big shows. Her dam was purchased by Wayne & Leanne Taylor and has been exceptionally good. Plus backed by one of the finest cows to ever grace the pastures at Waipiri Oman Soul. Someone with some vision needs to inspect this young Crushabull daughter.
- Would not surprise me at all to see her in the winner's circle in the future.

FLUSH A COW AT FERDON

THIS IS A UNIQUE OPPORTUNITY TO HAVE A FLUSH OF ANY COW THAT WE OWN AT FERDON.

The flush will guarantee 8 embryos by IVF flushing after the cow has calved and before she is mated or from a cow that is open as of today.

- ✪ The cow can be flushed for Australia and the USA on farm.
- ✪ For Canada the cow has to go on centre so she would have to be open and dry.
- ✪ New protocol coming for exporting embryos to the UK/EU which should be updated before the sale
- ✪ All flushing and on centre costs are the purchasers.
- ✪ Semen is buyer's choice, including costs - will need to be export-qualified also.

- ✦ The Decision was made to put up the 4 Champions from Waikato in the 75th Celebration Sale, so it is not very often that you get the chance to buy a Viyella with a pedigree to match.
- ✦ The Viyella name has become synonymous with the name Ferdon and has stamped its place in the Jersey Breeds History for nearly one hundred and twenty years, right back to Lady Viola.
- ✦ Affectionately called "The Fizz" we offer you this cow from the Heart and Soul of Ferdon.

Conditions of Sale

The following special conditions apply to this sale where applicable:

FEMALE GUARANTEES:

1. Every female shown as bred on a certain date, except any which may have been served within six weeks of sale, is guaranteed in-calf. This guarantee expires 28 days from the sale date.
2. Where a sale catalogue specifies a calving date and the resultant calf is not acceptable for registration by the MINDA service of the Livestock Improvement Corporation (LIC) or by the relevant Breed Society because the calf is born eleven days or more either side of the specified calving date and the paternity is not able to be verified the seller shall refund 25% of the purchase price plus GST direct to the buyer.
3. This clause 2 does not apply if the sale catalogue states that a bull was pastured after AB ceased.
4. Where a veterinary certificate is supplied at the date of sale certifying the female as being in-calf, no further liability will fall on the seller subject to liability under the other clauses contained in the Conditions of Sale. The buyer has the right to retest at their own expense before delivery is made from the place of sale. Where a female is offered for sale as being in-calf, without a supporting veterinary certificate and the female is subsequently proved to be empty, the buyer has the right to return the female or carry out such disposal as the seller may instruct and the seller will refund direct to the buyer the purchase price plus the return transport costs.
5. Cows sold as not in-calf at the time of sale, shall be sold with a guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the cow fail to produce a calf by the 31 December 2025, the seller shall refund in full the purchase price direct to the buyer.
6. Yearling heifers sold as unmated are sold with the guarantee to breed. The term breed shall constitute producing a calf, dead or alive. Should the heifer fail to produce a calf by the 31 December 2025, the seller shall refund in full the purchase price direct to the buyer.
7. Where females are sold as not in calf, (including yearlings and calves), are flushed for embryo transfer, either with or without success, all guarantees to breed become null and void.
8. Where any female sold as being in-calf proves to be carrying a mummified calf, no liability will fall on the seller.
9. Any animal which is sold as in-calf but subsequently aborts the foetus after delivery is the responsibility of the buyer and no liability will fall on the seller.
10. Any claim to the auctioneers must be accompanied by a veterinary certificate.

GENERAL CONDITIONS:

DELIVERY: Each lot shall, immediately on the fall of the hammer, be at the risk of the buyer.

INSURANCE: If transit or annual insurance is required, such cover can be arranged through the auctioneers.

INSTRUCTIONS: Buyers must sign dockets before leaving the sale and leave full delivery instructions.

TRANSFERS: Sellers are responsible for the completion of transfers. No buyers shall be entitled to withhold payments for stock pending delivery by the seller of the relevant breed society transfer certificate or LIC Animal Location Transfer Certificate.

PAYMENT TERMS: Payment 14 days after date of sale.

PGW's Terms of Sale apply to this sale. When proceeds are credited or a purchase is debited to a PGW monthly credit account, then PGW's Monthly Account Terms of Trade (as amended from time to time) apply to the extent deemed relevant by PGW.

PURCHASERS PLEASE NOTE

Please make sure you know or have your NAIT numbers, LIC PTPT and Herd Codes available.

OH&S

Every effort will be taken by the Vendors, Auctioneers, their staff and assistants, both on the day of the sale as well as on any other visits of inspection to ensure the safety of intending buyers and visitors. However we wish to advise that this is a farm run under normal management conditions and certain dangers exist in relation to livestock and their environment. **Visitors should take all care to ensure their personal safety.**
