POLLED JERSEYS

NATURE'S DEHORNER

2026 is the centenary of the birth of Poley, the foundation polled female at 'Ardachie'. To celebrate we entered 2 heifers in the NZ Dairy Event. Both are direct descendants of Poley. Haunui is the maternal sister of Haymaker PP at Samen NZ. Thanks to Luke Gilbert 'Showcase Boarding' & Zoe Van Der Grift on the halter for preparing & showing these heifers so well. We wish these heifers all the best at their new home at 'Tahau Jerseys'-Kareena & Josh Sneddon.
